

LABOR INDUSTRY APPRECIATION GOLF OUTING FAQs

Q: Who is invited?

A: We have sent out invites to our contacts and clients in the Labor community. If you know someone who would be interested, feel free to reach out to Chris Madison at cmadison@anderscpa.com and we will get them added to the invite list.

Q: What is the format?

A: For this year, we will be playing a 4-person scramble. If there is another attendee you want to share a cart with, make sure you note that on your registration. We will be putting together the foursomes once registration closes.

Q: What is the cost to play?

A: There is no registration fee required for the lunch, golf, dinner and beverages. This is a complimentary event. However, there is an option to make a voluntary charitable donation to the Joshua Chamberlain Society, as noted on the invitation.

Q: Are there mulligans and is there a skins game?

A: No. However, there will be contests, raffles and a 50/50 drawing with all proceeds going to the Joshua Chamberlain Society, so don't forget some cash to have some fun with!
